

WELCOME TO THÉÂTRE CINÉMA DE CHOISY-LE-ROI

To make your stay with us as pleasant as possible, our venue is at your disposal.

Below you will find a few practical details about how it works.

Internet : You can connect to the theatre's wifi using the network *Choisy Wifi*, which does not require a password.

Invitations : Please send your guest list directly to Maria Da Silva, no later than the day before the performance. The number of invitations is specified in your contract. Beyond this quota, you may benefit from our reduced “détaxe” rate of 12 €. Professional invitations are taken from our own quota: one invitation per structure, then reduced-rate tickets for any additional guests.

Equipment : You are welcome to use the kitchen appliances (microwave, refrigerator, coffee machine, electric kettle, and dishes). Please ensure the space and utensils are cleaned after use.

The dressing rooms are at your disposal and include showers, sinks, toilets, and a few towels.

Catering : On the day of the performance, catering will be provided in the backstage access corridor.

Water bottles : As part of our efforts to reduce environmental impact, we limit the use of individual plastic water bottles. A water fountain and corn-starch cups are available in the backstage access area. However, bottled water can be provided upon request.

Technical information : All technical documents and room plans can be viewed or downloaded on our website : theatrecinemachoisy.fr/technique/

For safety reasons, your presence inside the venue must always be accompanied by a member of our permanent team. Please don't hesitate to contact us for any questions or specific requests.
